### ASI is:

- *an In-Network provider with most major insurance / healthcare companies*
- *credentialed as a Non-Public Agency with the state of California allowing us to work in schools*
- *a vendor with the Regional Center*

ASI was founded by Timothy M. Prior. Mr. Prior is a Board Certified Behavior Analyst (BCBA) and Licensed Marriage and Family Therapist (LMFT). He has over fifteen years of

experience providing Applied Behavior Analysis for individuals with special needs.

While attending the University of California, Los Angeles (UCLA) Mr. Prior studied under Dr. Ivar Lovaas and his colleagues.

Mr. Prior has extensive experience working with and for school districts and with regional centers. Mr. Prior developed and co-directed a team who created a curriculum for teaching social skills to individuals with special needs that was implemented across a major urban school district.

Mr. Prior presents at universities including a recent presentation at Harvard University for the HGSE conference, speaking to researchers and educators about his research in the field of autism.

## OUR SERVICES

### **ABA Services**

ASI specializes in Applied Behavior Analysis / Intensive Behavior Intervention in the home, community, school, and clinic settings.

### **Functional Behavior Assessments**

A Board Certified Behavior Analyst (BCBA) will determine areas of strength, and areas of need. The BCBA and parents work collaboratively to ensure the appropriate intensity of service and the right skills are recommended.

### **Counseling**

ASI provides traditional psychotherapy in 1:1 and group formats to serve and support individuals with challenges and their families.

### **Parent Consultation**

ASI staff work with families to teach caregivers how to implement applied behavior analysis techniques within their typical daily schedule in order to ensure the highest possible quality of life for the entire family.

### **Social Skills Groups**

Social Skills Groups increase your child's ability to interact with others by making them aware of their actions and practicing appropriate skills while having fun and making new friends!
